FOR IMMEDIATE RELEASE

TAMC CONE ZONE REPORT

ROAD AND LANE CLOSURES SCHEDULED FOR NOV. 20 – NOV. 27

MONTEREY COUNTY – Here are the major scheduled road and lane closures for the areas between Salinas and North Monterey County from **Sunday, November 20**, through **Sunday, November 27** – **newest information is in red.**

Soil Remediation at Kern and Market in Salinas: November – December

- The City of Salinas began a soil remediation project at the Kern/Market intersection that may impact the Kern/U.S. 101 northbound off-ramp near the In-and-Out Burger Restaurant.
 - Work is expected to take 4-6 weeks to complete.

Highway 1 Barrier Improvements: November 2011 – March 2012

- A 14-mile project to install metal beam guardrail and make concrete barrier improvements along Hwy. 1 from Trafton Road in Monterey County to just north of 41st Avenue in Santa Cruz.
 - Project will result in overnight alternating lane closures Mondays through Fridays from 9 pm to 6 am.
 - Minimal delays are anticipated.
 - Roadwork is expected to be completed by March 2012, weather permitting.

Carmel Valley Road Overlay Project: November – December

- Monterey County road construction project on Carmel Valley Road from Dorris Drive to Rancho Fiesta, which will go through the end of December.
 - Work is from 8 a.m. to 4:30 p.m.
 - There will be some lane closures;
 - Traffic controls will be in place,
 - Expect five minute delays.

(more)

Highway 68: November – December

- Monterey County Public Works continues its **work along HWY 68 and San Benancio, which will go on until December 2011**. This work is being done during the day; drivers should be alert. Most work will be done behind the concrete barriers that are set up, but minor delays can be expected.

Please drive safely and exercise caution in the construction zones.
